

EMPLOYMENT BACKGROUND SCREENING

Employers Choice Screening provides on-demand employment background screening and personnel compliance training services & products to employers.

Employers Choice Screening aims to:

- Reduce employee hiring and retention liabilities.
- Make the hiring process more efficient via cost-effective background checks, physical exams, drug testing and Form I-9 services.

Compliance Training Group is the training services subsidiary of Employers Choice Screening and conducts:

- HR and OSHA safety compliance training.
- Live interactive webinars, online e-Learning, SCORM files, onsite instructor-led training and train-the-trainer instruction.
